

PROJECT IMAGO

TO RESCUE THE EARTH AND
SECURE A FUTURE HUMAN RACE
QUANTUM BIOCYBERNETIC EVOLUTION

THE LONG-OVERDUE LEAP IN HUMAN EVOLUTION

Humanity has become the pathogenic agent killing a planet that people were originally meant to serve and protect. Now Earth is in such critical emergency that humans, overpopulated and self-destructive, will no longer survive here.

The purpose of IMAGO is to transmute, quickly, some humans into a higher, fully-evolved Super Species before humans become extinct.

Far superior to AI, transhumanism, remote viewing or genetic engineering, IMAGO's biocybernetic evolution may look futuristic, while in fact we have all the essentials: Blueprint, materials, thermal imagery, and the world's only Biocybernetician, Dr. Philip Savage.

The first IMAGO transmutation athanor can be built, secured, and activated in a few months while there is still time to do it.

All that's needed is the financial: ONE HERO SPONSOR, a billionaire or top member of the financial elite, who wants to survive with family, unlimited power, full control and real immortality.

IMAGO is the only scientifically viable and immediate technology to survive imminent human extinction.

ARK OF IMAGO

RESCUE CAPSULE

Athantor of Human Transmutation to a Higher Species

*The ultimate exit strategy to escape the total
apocalypse of humanity's own making*

THE WAY OUT - Your only survival solution

Quantum Biocybernetic Evolution: The **IMAGO Pyramid** is an exclusive and unique Transmutation Athantor with 9 angles and a Sphere in a rare alloy with a special Bio-liquid inside, designed by cybernetician Dr. Philip Savage. **Using thermal imagery**, Dr. Savage will process and transmute a human inside the Sphere into a new super species. **Dr. Savage guarantees** that people leaving the Pyramid will be fully-evolved Super Beings, IMAGOS but still human, equipped to exist in a post-cataclysmic new Earth.

IMAGO = Final, perfect psycho-morphologic culmination of an animal after completion of all stages of the metamorphosis.

WHO WILL GAIN

The **ONE billionaire** or top financial elite able to fund construction, activation, and protection of IMAGO will **survive extinction with family, power, control, and real immortality** that no one else has.

People qualified to enter the IMAGO Pyramid will **emerge fully-evolved Super Beings**, a new Humanity, having reached the final metamorphosis stage, with the power, abilities and immortality that original humans were designed to have as **Earth's essential Biocybernetic Regulators**.

Everyone who helps spread the word to locate **THE ONE IMAGO SPONSOR** can become **part of the solution**, instead of the problem... and be part of the most amazing cosmic project in all human history.

Belief in science is not necessary. Science requires investment: Build it, test it, and watch it work.

DR. PHILIP SAVAGE

"There are forces greater than anyone could possibly imagine which have made the decision to put 'human experiment' here on Earth to a final end whether the planet manages to survive or not."

"Now, even the most foolish doesn't dare anymore pretend that everything is just fine, that Man is headed toward a 'bright new future' where all the wounds he has been inflicting to his own planet, therefore to himself, could be healed, forgotten. Rather than **somehow repent at the last moment** for all his atrocious crimes, Man has chosen to go just the other way!"

"Since people are part of the planet's homoeostasis, they reflect individually and collectively the Earth's terminal health condition. That is why, to some extent, **everybody is now out of balance**. People are existentially sick, psychologically sick, behaviorally sick, culturally sick, ecologically sick, spiritually sick and above all, demographically sick."

"**'Your' Earth, however, will not go without a fight.** This desperate bio-immune reaction from a moribund planet may not save it durably, in terms of evolutionary perspective, since Man, its **most essential biocybernetic agents** would have then become extinct, but this at least will give the planet an opportunity later to expire on her own choosing in peace and with the necessary dignity its special status deserves."

"**Compared to their unlimited potential, modern humans are unevolved larvae whose evolution has been blocked** for millions of years by those forces of chaos, of destruction. And that's my Project, **IMAGO, the long-overdue Quantum Evolutionary Leap**, to keep just a few from well-deserved final extinction, to bail out and start all over again in some post-cataclysmic new future or new dimensions."

"That is why **money or power alone shall not be enough** to have the right to 'get on board.' Only those who DO have the proven capacity to evolve into IMAGOS need apply! For the rest, **they are already extinct**, although they don't know it yet."

Dr. Philip Savage, PhD

Transdimensional Being with the blueprint and mind force abilities to produce the new IMAGO Super Species.

EARTH AND HUMANITY ARE AT WAR!

We are on the side of the Earth

Earth is fighting to save its own life by eliminating its destroyers, the modern human race. Humanity has become a disease, a cancer, that has already been rendered extinct, thereby giving the Earth one last chance to survive.

EARTH'S BATTLE PLAN

Earth's human extinction strategy includes **3 Tactical Strands** that are converging full force, globally, right now.

1. **Climate Change:** Climate is always changing. The sun is the **ONLY** factor, not humans. Earth is desperately **trying to cool off** (not warm up) to create an ice age to eliminate 99% of modern humanity.
2. **Geo-Political Chaos:** World War III, which will **culminate** in a global thermonuclear holocaust that can now happen at any time.
3. **Human Immunological Breakdown:** From decades of man-made toxic chemicals and viral bioweapons attacking the entire human population.

Two cataclysmic strands are nearly complete: Climate Change and Human Immune Breakdown. The tipping point will be the global nuclear holocaust, WWIII. As the Three Strands culminate and **converge** at the same time, no human will survive Earth's Extinction plan, including the elites, **no matter where they are hiding**. This is why **IMAGO** is the only solution.

ADVANCED SCIENCE AND TECHNOLOGY

SUBLIMINAL DISTANT INFLUENTIALITY, SDI

Dr. Philip Savage, PhD

"People actively exposed to my subliminal procedure are driven to do, unconsciously, things they otherwise would not do, or vice versa, not do things they otherwise would do."

Applications of SDI are unlimited: Enhancement, Optimization, and International Security. Results are **precise, laser-like, and certain**. SDI is non-physical, non-therapeutic, non-pharmaceutical, and painless.

SDI is based on three principles:

1. All living beings are deeply embedded in a unified field of consciousness that sustains and pervades all things and events, a Bio-Continuum or BioWeb of Psycho Fields.
2. The **inseparability and inter-functionality** of all things and events.
3. Using Mind-Force alone, Dr. Savage is unique in his ability to break into that One Collective Bio-Mind, access its variable realities, and reconfigure any situation according to a client's specific purpose.

Dr. Savage's only agenda: SURVIVAL for Earth and a few IMAGO Super Beings rescued from final human extinction.

RESULTS OF SDI ARE UNPRECEDENTED

Brady burned her hand and her mom called the FireBurnDoctor.

Before: Pain of 9! **One hour later her pain was gone!**

RUSH: THE MOST VALUABLE FILM YOU WILL SEE TODAY

The extraordinary results of the 10-year global FireBurnDoctor experiment (and other ground-breaking SDI cases) are documented in the award-winning film, *RUSH*. These **eye-witness accounts are the proof** that people need to see on their own bodies. Lab scientists anywhere in the world can then repeat these tests on cells cultures using SDI. Dr. Savage explains, *"Give me cells, we burn them. The ones I'm taking care of don't die. The other ones, of course, die."*

Bypassing crippling effects on child born without corpus callosum.

Changing DNA of baby diagnosed with cystic fibrosis in the womb.

Breaking law of Electro-magnetism using only non-physical Mind Force.

Dr. Philip Savage is known worldwide for **resolving life-threatening crises in thousands of cases** over the last 35 years using only the Mind-Force science of Subliminal Influentiality. Dr. Savage, the founder of SDI, has personally trained students and clients in the science of SDI and the art of genuine healing.

Catharsis Biognostic Unit of Geonoetics is the California corporation of scientists, doctors and clients inspired by the work of Dr. Savage. Catharsis sponsors projects: FBD, IMAGO, SDI and individual and corporate contracts.

TELL ALL, JUST CALL
within first 30 minutes of burn injury

FireBurnDoctor (FBD) is a team of international volunteers personally trained by Dr. Philip Savage to stop the tragic effects of burns worldwide. The team uses the Subliminal Mind-Force technology, SDI, to process burn victims who call within the first 30 minutes of injury. The intervention is **immediate, free, and works remotely**. The more than 2000 results of "Instant Burn Recovery" are published on www.FireburnDoctor.com. The FBD team, sponsored by Catharsis, is committed to positive individual, social, and environmental change.

SDI is the most powerful technology in the world.
